PART 3—MEMBERS, DISCIPLINARY PROCEDURES AND GRIEVANCES

 - (a) wishes to become a member of the Association; and
 - (b) supports the purposes of the Association; and
 - (c) agrees to comply with these Rules.
- (2) The application—
 - (a) must be signed or electronically declared by the applicant; and

- (3) A corporate body or auspiced group is eligible to apply to become an Association Group member if it:
 - (a) provides a certificate of incorporation, if applicable;
 - (b) provides evidence that the principal business or objective of the corporate body relates to recreational fishing; and
 - (c) has otherwise satisfied the requirements for Association Membership as determined by the Committee from time to time.
- (4) A person is eligible to apply to become an Ordinary Member if the person:
 - (a) is interested in recreational fishing and conservation of aquatic resources;
 - (b) pays the Annual Subscription; and
 - (c) has otherwise satisfied the requirements for Ordinary Membership as determined by Committee from time to time.
- (5) A person is eligible to apply to become an Affiliate Member if the person:
 - (a) is interested in recreational fishing and conservation of aquatic resources; and
 - (b) has otherwise satisfied the requirements for Affiliate Membership as determined by the Fishcare Victoria Steering Committee from time to time.

Note

The joining fee is the fee (if any) determined by the Association under rule 13(3).

10 Consideration of application

- (1) Acceptance by the Committee of an application for Membership is at the complete discretion of the Committee, which is not required to give any reasons if an application for Membership is refused.
- (2) If the Committee rejects the application, it must return any money accompanying the application to the applicant.

11 New membership

- (1) With the exception of a Life Member, a person who wishes to become a Member and who is eligible for Membership must complete the designated written or online form of application as prescribed by the Committee from time to time.
- (2) The application must be forwarded to the Secretary and accompanied by the prescribed Annual Subscription as determined from time to time in accordance with rule 13(3). The person named in the form of application will only become a Member subject to rule 13(2) upon:

12 Procedures and Criteria for Awarding Life Membership

- (1) Life Membership will be decided upon by the Fishcare Victoria State Committee and Staff and announced at the annual AGM.
- (2) Any nomination for life membership should be made at least one meeting prior to the Annual General Meeting.
- (3) While the nomination can come from any Association member, it must be 'sponsored' by a Committee member.
- (4) It will then become the responsibility of that Committee member to present evidence to the Committee regarding the nominee that will allow an informed decision by the Committee, based on the criteria set out below, as to the worthiness of the nominee as a life member of the Association. The reason for placing the responsibility on the 'sponsor' or nominator is to stop the situation arising where little information is provided about a nominee, therefore making it difficult for Committee members to decide on the nomination.
- (5) The Secretary will have the responsibility of calling for a ballot from the committee, the nominated life member should not be present.
- (6) At the meeting to decide on the nomination/s the Committee shall, in regard to the following criteria, determine if the nomination is worthy. The emphasis in this determination should be heavily on critical appraisal of the level of service to the Association required to be a Life Member. If there is any doubt of such a level being achieved, or lack of information about the nominee that makes such a conclusion impossible, then Committee members should consider voting in the negative.

- (7) Criteria for consideration are as follows. There are four areas of service in the Association:
- a. Membership
 - b. Fishing & Environmental Education
 - c. Administration
 - d. General contribution (including fund-raising, supporting and other issues that a Committee may see as relevant)
- (8) The nominee must have an outstanding contribution in at least one of these areas, a minimum of 5 years of active service and at least some contribution in two of the other three areas or contribution deemed appropriate at the discretion of the Committee. In determining the level of significance, the Committee members should consider this in the light of a very high quality service.
- (9) Once the nominator/sponsor has presented the information and all questions and comments have been made, the Committee shall conduct a secret ballot on the worthiness of the nomination.
- (10) Should there be more than one nomination, then each should be considered in turn.

13 Annual subscription and fee on joining

- (1) At each annual general meeting, the Association must determine—
- (a) the amount of the annual subscription (if any) for the following financial year; and,
 - (b) the date for payment of the annual subscription.
- (2) The Committee may determine that a lower annual subscription is payable by Association members.
- (3) The Committee may determine that any new member who joins after the start of a financial year must, for that financial year, pay a fee equal to—
- (a) the full annual subscription; or
 - (b) a pro rata annual subscription based on the remaining part of the financial year; or,
 - (c) a fixed amount determined from time to time by the Association.
- (4) The rights of a member (including the right to vote) who has not paid the annual subscription by the due date are suspended until the subscription is paid.

14 General rights of Ordinary members & Life Members

(b) any other category of member as determined by special resolution at a general meeting.

(2) An Affiliate member has no voting rights but may have other rights as determined by the Committee or by resolution at a general meeting.

16 Rights not transferable

The rights of a member are not transferable and end when membership ceases.

17 Ceasing membership

(1) The membership of a person ceases on resignation, expulsion or death.

(2) If a person ceases to be a member of the Association, the Secretary must, as soon as practicable, enter the date the person ceased to be a member in the register of members.

18 Resigning as a member

- (2) Any Ordinary member may, at a reasonable time and free of charge, inspect the register of members.

Note

Under section 59 of the Act, access to the personal information of a person recorded in the register of members may be restricted in certain circumstances. Section 58 of the Act provides that it is an offence to make improper use of information about a person obtained from the Register of Members.
