

## Fishcare Victoria COVID-19 Procedural Update

Section 1.3-1.5 will be implemented as of the 26<sup>th</sup> of November 2021. All other sections are to be implemented immediately. This document is a fluid document that will be updated as rules and regulations around COVID-19 changes. You will be notified of these changes as the pandemic progresses. These rules are non-negotiable and are in place due to government mandates around events in relation to COVID-19. If you have any questions related to these procedural updates, please up contact your facilitator or executive officer Sarah Van Stokrom on 0437 672 242.

### Section 1: Checking In

- 1.1 All participants are required to sign in via our pre-made Victorian Government QR codes or documented via manual sign in sheets.
- 1.2 All volunteers and staff must be double vaccinated to participate in face-to-face Fishcare activities.
- 1.3 Once signed in **ALL** participants/guardians over the age of 16 **MUST** present proof of double vaccination or valid medical exemption to facilitators or a designated volunteer.
- 1.4 If participants or guardians can not provide proof of these documents, they **CANNOT** participate in the clinic.
- 1.5 If participants are disgruntled regarding these procedures. Do not engage and direct them to contact Sarah Van Stokrom on 0437 672 242.

### Section 2: COVID safe procedures

- 2.1 All participants, volunteers and staff are required to sign in prior to the event to ensure contact tracing can be performed. This will be via a QR code scanner. Paper and pencil sign in options will also be available for those who are unable to utilise QR code scanning functions.
- 2.2 Maintaining base density requirement of 4 square metres per person and physical distancing (>1.5 metres). No contact (high fives/hand shaking).

- 2.3** Designated sanitising station (stand/table with wipes, hand sanitiser and foot pedal bin) to be created and made available to participants signing in. Hand sanitiser to be used prior to handling equipment.
- 2.4** All equipment to be sanitised before and after clinic delivery using sanitation wipes.
- 2.5** Sanitation wipes to be provided to each participant upon receiving equipment to clean themselves.
- 2.6** Should the equipment be handled by a volunteer or staff during the clinic delivery – a sanitation wipe will be used when equipment transferred back to the participant
- 2.7** Deep cleaning and sanitation of all equipment must occur after each clinic including:
- Eyewear
  - Rods
  - Reels
  - Pliers
  - bait
  - boards
  - signs
  - banners
  - trailer handles
  - trailer light plug

### Section 3: Personal hygiene

- 3.1** Volunteers, participants, and staff are not to attend clinics if unwell (including any signs/symptoms of cold, flu, COVID-19 or other illness). If unwell, volunteers and staff are encouraged to undertake a COVID-19 test and follow isolation requirements as stipulated by the Victorian Government, until a negative result is received.
- 3.2** Washing of hands prior to, during and after clinic delivery and use of hand sanitiser when possible.
- 3.3** Avoid physical greetings (i.e. hand shaking, high fives etc.).
- 3.4** Avoid coughing, clearing nose, spitting etc.
- 3.5** Launder own uniform and wash/sanitise personal equipment.
