

Percussive stunning and dispatch

Using a fishing priest

Only a competent, responsible person who understands how to do it properly and safely should use this method.

1 Prepare

Have a suitable fishing priest and a stable surface ready.

2 Secure the fish

Place the carp on a stable, non-slip surface and hold it firmly.

3 Deliver a firm blow

A single, firm blow to the top of the head, just above the eyes.

4 Check the result

Confirm the fish is unconscious and does not regain consciousness.

Key points to remember

- ✓ Use a suitable fishing priest for the size of the fish.
- ✓ Aim for a single, accurate blow.
- ✓ Make sure the fish is unconscious and does not regain consciousness.
- ✓ Humane handling matters.
